RELAXATION AREA RULES AND REGULATIONS

§ 1

1. The Rules and Regulations define the purpose and rules of using the Relaxation Area of the Support and Accessibility Centre of the University of Lodz.
2. Persons staying in the Relaxation Area are required to read the Rules and Regulations, and comply with its provisions.
3. Entering the Relaxation Area is equivalent to accepting the Rules and Regulations.
4. The content of the Rules and Regulations is provided by the employees of the Support and Accessibility Centre and available on the website of the Support and Accessibility Centre.

§ 2

1. The Relaxation Area is located on the premises of the Support and Accessibility Centre of the University of Lodz. It is open at times specified in the schedule.
2. The management of the Support and Accessibility Centre of the University of Lodz reserves the right to change the opening hours or completely close the Relaxation Area on certain days.
3. Students, PhD students and employees of the University of Lodz are entitled to use the Relaxation Area.
4. With the consent of the head of the Academic Support Centre, in justified cases, other persons are also entitled to use the Relaxation Area.
5. The Relaxation Area is a monitored area or the Relaxation Area Rooms are monitored. The image is recorded, stored and processed. A person entering the Relaxation Area allows the registration, recording, storage and processing of the image for security, documentation, information and reporting purposes in accordance with the applicable law.

6. Before entering the Relaxation Area, you should take off your shoes. You should enter the Relaxation Area wearing socks.
7. The Relaxation Area is a noise-free area. It is forbidden to use cell phones and music players in a way that disturbs the peace of other Relaxation Area users. No loud conversations are allowed in the Relaxation Area.
8. The Relaxation Area is a smoke-free area. It is completely a non-smoking area.
9. In the Relaxation Area it is forbidden to:
 - a) stay, if a person is under the influence of alcohol or other intoxicants,
 - b) bring and consume alcoholic beverages or other intoxicants,
 - c) bring and consume food and drinks,
 - d) bring animals,
 - e) cause situations that threaten the safety of one's own or other people,
 - f) destroy the equipment of the Relaxation Area,
 - g) take equipment from the Relaxation Area outside.
10. In the event of noticing any irregularities or breaches of security, the employees of the Support and Accessibility Centre should be notified immediately.
